We're Staying Green!

We continue our efforts to conserve natural resources and reduce our carbon footprint. However, due to the many emails and letters we received, we got the message that the majority of our valued customers that we heard from want a printed newsletter. You spoke, we listened! So, here is your copy of our printed Winter Newsletter. Please recycle this newsletter when you are ready to part with it, or even better - pass it on to a friend who may be interested. We will keep doing our part with our commitment to using as much post consumer paper and plastic product as we can AND bringing our recyclable paper to a recycling center. ***Thanks!***
